Your child can start any day of the year. Choose the starting date and the first pro rata payment in the table. Thereafter you pay R 190.00 per month.

**THIS IS HOW THE TABLE WORKS:**

Example : The starting date is 01 February (Lesson 4) .  
 Total outstanding for year is R 1 934.  
 37 Lessons X R52.26 = R 1934.  
 There are 9 payments of R 190 left.  
 R 190 X 9 Months = R 1 710.  
 The difference is the :  
 First Pro rata Payment  
 R 1 934 - R 1 710 = R 224  
 (Total outstanding minus the nine payments)

**NO REGISTRATION OR EXTRA ADMINISTRATION FEES**

YOU PAY FOR THE REMAINING LESSONS LEFT FOR THE YEAR

**Terms and Conditions : Agreement between Kids Computers on Wheels® and person responsible for the account :**

- The subscription fee is R 2090.00 for the full year: 11 payments @ R 190 per month - January to November .
- If the child does not participate from the beginning of the year, the first pro rata payment differs from the monthly fees. (See above table with dates and fees).
- Monthly payments are payable on or before **the first lesson of each month**. Payments can be done via Internet, cell phone banking, direct bank payments, at the school in the deposit safe (depending on the arrangements of the particular school) or at the mobile computer truck.
- The computer classes of **Kids Computers on Wheels®** are closed during school holidays and public holidays.
- Please make payments to Kids Computers on Wheels® separate from school fees.
- Kids Computers on Wheels®** reserves the right to deny children from classes if monthly fees are not promptly paid.
- This agreement can only be terminated thirty days in advance by written or SMS notice. If lessons are terminated without proper notice, then fees for the last month are still payable by the person responsible for the account - even if the child did not attend classes during that month.**
- Kids Computers on Wheels®** offers computer lessons once a week during school terms on the premises of the school or on any other predetermined premises . The duration of one lesson is thirty minutes at a time.
- If **Kids Computers on Wheels®** can not offer a lesson due to a reason or reasons under their own control , the lesson will be repeated at a suitable time.
- It is the parent / child's own responsibility to ensure that the child attends classes promptly. **Kids Computers on Wheels®** do not take the responsibility if the child cannot be located on the school's premises for computer classes.
- The account is still payable by the person responsible for the account or parent and no refund will be made if the child missed a lesson or lessons due to whatever reason - school trips, sports, examinations, sickness, political unrest, pandemics and holiday trips. The parent can arrange catch-up classes if necessary, but it depends on the availability of seats and the schedule of the computer truck.
- All legal costs are payable by the person responsible for the account when legal steps are taken to collect fees on overdue accounts.
- For accounts more than thirty days outstanding, the current interest rate can be charged and Kids Computers on Wheels® is under no obligation to continue lessons unless the account is fully settled. Kids Computers on Wheels® is under no obligation to repeat missed lessons for the child if lessons are stopped due to an overdue account.**
- The child participates at own risk although our personnel take all possible precautions to ensure the safety of the child.
- Kids Computers on Wheels will not place photos of the child on social media if requested by the parent / guardian.
